

HOTELS AND RESORTS

Our clients include some of the world's most recognizable hotel and resort brands who rely on us to help manage their legal and business challenges on local, national, and global levels.

From daily operational issues involving contracts, agreements, and employment matters to enterprisewide construction projects, corporate transactions, and financing arrangements, our team handles the full range of issues for hospitality clients. We advise developers, owners, operators, managers, marketers, and lenders ranging in size from small, private organizations to Fortune 500 companies, including:

- Casinos
- Destination resorts
- Golf courses and clubs
- Hotels (individual owners and national brands)
- Multiuse projects
- Ski facilities
